AC0001 Stereo Outdoor Bluetooth Speaker The Outdoor Speaker

DESCRIPTION

Enjoy the ultimate sound experience with the Accentus ONE Outdoor Bluetooth Speaker with stereo speakers and ultra-bass. The splash-resistant ABS housing and metal grill ensure the solid protection of the Outdoor Bluetooth Speaker during outdoor activities. Take your favourite music along with you everywhere. The Accentus ONE even fits in your bicycle's bottle cage.

Control the AC0001 Outdoor Speaker with the special function buttons: volume control, play/pause, previous/next and for answering incoming calls.

Stream music via the energy-saving Bluetooth 4.0 from your smartphone and tablet to the Accentus ONE Outdoor Speaker. Use the 3.5mm jack to connect the speaker to your smartphone or tablet via a cable.
